How could this session be improved in future?

- This was well balanced panel session with just three.
- Bit longer session to encourage other participants to contribute (15 - 30 mins only)
- Nothing to add. They are very informative and enjoyable. There are some great people in the construction sector.
- would be interested to find out about 'the circular economy'
- I thought the session was excellent
- Wasn't totally clear on how to ask questions and couldn't see the questions other people were asking, but that may have been me!
- Seeing other participants - hearing from them?

Are there any other comments you would like to add?

- This was a super panel session with three pertinent topics, great questions, plain speaking, and interesting data collected through the poll. What about adding in to the diary an odd Construction leader interview with Q&A?
- Great format, very informative, thanks
- Thank you for asking and answering my question.
- Great presentation thanks, very though provoking on climate change, really curious how things will go in the coming years. Have a lovely Christmas and New Year.
- many thanks
- Have a good Christmas and thank you for the effort it takes to organise these
- Really good use of my time and very much appreciated. Thanks!
- Merry Christmas ?
